ICAP Futures Expands Crude Oil Team

New York, 15 June 2011 -- ICAP Futures LLC, the futures trading arm of the world's premier interdealer broker ICAP plc, announces the expansion of its crude oil options offering to include execution from the NYMEX trading floor. ICAP Futures LLC has added a team of four brokers offering execution in crude oil options. This builds on ICAP's extensive offering in OTC crude oil and oil products broking in London and New York.

The new exchange-based desk is lead by Andrew Giangrandi and Rich Saitta Jr., who bring over 20 years of combined experience in the energy sector. All four of the team were previously with the McNamara Group.

"ICAP's international reach and access to so many buyers and sellers in the global marketplace will allow us to provide our clients with the best opportunities to trade," stated Andrew Giangrandi, Manager.

Todd Creek, Chief Executive Officer of ICAP Futures LLC said: "ICAP continues to expand its business by hiring talented professionals with a strong track record of performance. This group is a wonderful compliment to our existing teams."
