## ICAP Energy voted “Overall Broker of the Year” in the 2015 *Energy Risk* Commodity Rankings

London/Louisville, 06vFebruary, 2015 - ICAP Energy, the energy business of ICAP plc, announces today that it has been voted “Overall Broker of the Year” and “Energy Broker of the Year” in *Energy Risk* magazine’s annual Commodity Rankings. This is the tenth year in a row that ICAP Energy has won the award.

ICAP Energy was also awarded a total of 12 first-place positions (see the full listing at the bottom of this release).

Voters in this year’s *Energy Risk* Commodity Rankings included energy trading executives who based their decisions on a variety of criteria, including pricing, liquidity provision, counterparty risk, speed of execution and reliability. The poll reflects the views of market participants and their peers in terms of overall quality of service.

**Mark Pengelly, Editor, *Energy Risk* said:** “ICAP roundly beats other brokers in this year’s *Energy Risk* Commodity Rankings, winning 15.5% of the vote. The firm delivers particularly robust performances in natural gas and precious metals.”

**Graham Francis, Head of EMEA Energy and Commodities, ICAP Energy, said:** “*Energy Risk*’s Commodity Rankings are extremely well respected in the industry. We’re thrilled to be recognised for our ability to deliver high quality products and services to our customers, helping them to succeed in the evolving commodities landscape.”

**Dennis Crum, Chief Executive Officer of ICAP Energy LLC, said:** “We’re proud to have been voted “Best Overall Broker” for the tenth year in a row. On behalf of everyone at ICAP Energy, I would like to thank all of our customers for their continuous support over the years.”
