

## ICAP Energy's Todd Creek appointed to CFTC EEMAC

**New York/Louisville, February 5, 2015** -- ICAP Energy, the energy and commodities business of ICAP plc, announces today that Todd Creek, President of ICAP Energy and Commodities, has been appointed by the U.S. Commodity Futures Trading Commission (CFTC) to its Energy and Environmental Markets Advisory Committee (EEMAC). Todd is an Associate Member appointed by CFTC Commissioner J. Christopher Giancarlo and approved by the Commission, effective immediately.

Todd Creek, President of ICAP Energy and Commodities, said: "This is an honor for me and for ICAP to be appointed to the EEMAC. I take my responsibility very seriously and will work hard to protect and promote our market during these changing times."

Dennis Crum, Global CEO of ICAP Energy and Commodities, said: "ICAP is at the leading edge of the global derivatives market, and we are excited to have Todd appointed to this position. I have worked with Todd for many years and am confident he will make meaningful and thoughtful contributions to the work of the Committee."

The CFTC Energy and Environmental Markets Advisory Committee was created in 2008 to advise the Commission on important new developments in energy and environmental futures and swaps markets that may raise new regulatory issues, and the appropriate regulatory response to ensure market integrity and competition, and protect consumers. Commissioner J. Christopher Giancarlo sponsors the committee.
