2012 License Agreement and Copyright

Subscribers are prohibited from making any secondary distribution of ICAP United's information. User license prohibits forwarding email publications and/or printing and distributing copies without prior written authorization from ICAP. Written authorization is waived for occasion needs to forward the publication to other company personnel who are not on ICAP United's email distribution list.

Annual Subscription Rates for 2012

ICAP has two Daily subscription rates, (approximately 240 times yearly) and a Weekly subscription rate (52 times yearly). The Weekly is the Daily's Friday edition.

Daily Email Rate: Level I - \$2000 for up to eight email accounts per company.
Daily Email Rate: Level II - \$1600 for up to four email accounts per company.
Weekly Email Rate: Level III - \$1200 for up to four email accounts per company.

Additional email addresses above the base level can be added at the incremental rate of \$100 per email address.

Level I includes access to the most recent, 300 daily, historic pricing sheets stored on ICAP Energy's website www.icapenergy.com, Markets – Coal. An assigned Member ID and password are required for access.

Subscription fees are structured on a calendar year basis and are invoiced each January. Subscriptions commencing after April 1 are pro-rated through year's end. Renewal invoices are sent each January. Subscribers are not obligated to renew.

To subscribe, contact Daniel.Vaughn@us.icapenergy.com or 417-336-5582

Refund/Termination Policy

Subscribers may cancel a subscription at any time and ICAP will refund a portion of the subscription fee. Subscriptions cancelled by April 1, are entitled to an 65% refund; by July 1, entitled to a 33% refund. Prospectus subscribers receive a two-week free trial.

Market Price Information and Disclaimer

Daniel Vaughn, Director, Coal Services, assesses daily coal market prices based on factual information gathered and on actual reported trades. His independent views should not be construed as absolute or be used as a recommendation to buy or sell.
